

INSTRUCTOR'S INCOMPLETE GRADE AGREEMENT

Instructions for Use: This agreement must be filled out and signed by the instructor when an incomplete "I" grade is submitted. The department will make copies and distribute as follows:

1. Original filed with the department
2. A copy for the student
3. A copy for the instructor's records
4. If a shorter interval is being given to complete the work, a separate memo must be sent to the Registrar's Office with the specified date.
5. A final grade to replace the 'I' must be submitted on a supplemental grade form.

For reasons beyond his/her control, the student listed below is unable to finish the required work to receive a grade in this course and I have submitted an 'I' grade for the final grade in the class.

Important: Submitting an 'Incomplete' grade will result in the following:

1. The 'I' grade will remain on the student's transcript for one academic year (i.e., if an 'I' grade is given in the fall, the work must be completed prior to the grading deadline for the next fall semester), UNLESS a shorter specified date is given to the Registrar's Office on your campus.
2. If the incomplete is not made up during the specified time, the 'I' is changed to an F.
3. Faculty are required to submit an Incomplete Grade Agreement (IGA) to the departmental office with every 'I' given and must specify conditions and requirements for completing the incomplete, as well as any time limitations less than one year.
4. The 'I' grade must be completed and the grade posted to the official transcript before an undergraduate or professional degree can be conferred. (See Rule 90.)
